Endnotes

- ¹ Three-year-old caseload consists mostly of cases related to multidistrict litigation.
- ² These cases mostly arise from or relate to the terrorist-related aircraft crashes on September 11, 2001. Except for the cases against Battery Park City, the cases have been settled but have not yet been closed because of the slowness of State and foreign probate courts to approve the settlements for decedents' estates. A batch of cases against Battery Park City Authority, after remand by the Second Circuit Court of Appeals following a decision by the New York Court of Appeals, are in their early phases.
- ³ Three-year-old caseload includes consolidated cases.
- ⁴ Three-year-old caseload consists of primarily of mass tort cases.
- ⁵ All telecommunications cases were stayed pending determinations on core issues by the Federal Communications Commission, which were recently completed; the stay is now lifted, and the cases are proceeding.
- ⁶ Motions consist mostly of cases related to compassionate release.

Appendix B. Definitions

All active and senior district court judges, as well as all full-time and part-time magistrate judges, must report pending matters. Several issues relevant to the reporting of cases pending for more than three years include the following.

- With respect to cases pending for more than three years that have been assigned to district judges and magistrate judges from outside the districts where the cases originated, such cases are included in the totals for the districts where they were filed originally. Sometimes a block of cases or a class of cases that are similar in nature is assigned to a single judge. Such cases often require lengthy litigation when they involve complex issues and large numbers of parties.
- This report includes some asbestos cases. The Judicial Panel on Multidistrict Litigation (MDL) authorized the transfer of most of the pending asbestos personal injury/product liability cases to the Eastern District of Pennsylvania under Order Number 875. Asbestos cases that have remained in the districts where they were filed originally or that were transferred back to the original districts are included in this report. However, those cases transferred according to MDL Order Number 875 are excluded. All other MDL cases are included in this report.

Cases Pending More Than Three Years. The CJRA requires a report, by district judge and magistrate judge, of cases pending more than three years in the district courts. A case becomes pending as of the date the case originally was filed in the district court or the date the case was reopened, whichever is later. If a case has not been disposed of within three years after its filing date or reopening date, the case shall be reported as pending more than three years.

Motions Pending More Than Six Months. The CJRA mandates a report enumerating all motions that have been pending six months or longer. A motion is a request made to a district judge or magistrate judge for an order, ruling, or similar determination. The opposing party has 30 days from the date of a motion's filing to respond to it. A motion becomes pending 30 days after the date it was filed or was referred to a magistrate judge, whichever is later. If no decision on a motion has been filed within six months after the date the motion became pending, and the motion has not been referred to a magistrate judge, the motion shall be reported as pending more than six months before the presiding judge. If a motion is referred to a magistrate judge, the magistrate judge must file a report and make a recommendation for, or dispose of, the motion within six months after the date the motion became pending, or the motion shall be reported as pending for both the district judge and the magistrate judge.

Bench Trials Submitted More than Six Months. The CJRA requires the AO to prepare a report of bench trials submitted more than six months. In a bench trial, the judge (rather than a jury) decides the facts of the case. A bench trial is considered to be submitted on the date the courtroom proceedings are concluded. If a judge fails to file an opinion within six months after a bench trial was submitted, the bench trial shall be reported as submitted more than six months.

Bankruptcy Appeals Pending More Than Six Months. In accordance with an action of the March 1998 Judicial Conference, the CJRA now requires a report, by district judge and magistrate judge, of bankruptcy appeals pending more than six months in the district courts. A bankruptcy appeal becomes pending as of the date the appeal originally was filed in the district

court or the date the case was reopened, whichever is later. If an appeal has not been disposed of within six months plus 60 days after its filing date or reopening date, the appeal shall be reported as pending more than six months.

Social Security Appeals Pending More Than Six Months. In accordance with an action of the September 1998 Judicial Conference, the CJRA now requires a report, by district judge and magistrate judge, of Social Security appeal cases pending more than six months in the district courts. A Social Security appeal case becomes pending as of the date of the filing of the latest transcript in such case. If a case has not been disposed of within six months plus 120 days after its filing date, the case shall be reported as pending more than six months.
